

C-CLEARLY Q

C-CLEARLY Q is an industrial strength non-ammoniated glass cleaner that has been formulated to eliminate spots, film and streaks without any residue. This RTU cleaner combines emulsifiers, surfactants and solvents to work rapidly. C-CLEARLY Q may be used on most any surface and its superior cleaning power allows for one application to clean even the dirtiest areas. C-CLEARLY Q cleans by lifting and loosening dirt and grime while leaving a light pleasant fragrance in one easy step. C-CLEARLY Q cleans on contact, leaving glass sparkling clean without spots, film or streaks even when used at warm or cold temperatures. This ready-to-use formula allows you to use just a small amount to wipe away fingerprints, dust and dirt, makeup, grease, and bugs from glass, windows, mirrors, windshields, and headlights. No fuss, no muss, no measuring. C-CLEARLY can be used for final touch ups on glass, mirrors, formica, plastic, stainless steel, fiberglass, ceramic tile, porcelain and chrome to provide a showroom ready shine and freshness.
