Carb Clean

Choke & Carburetors Cleaner

Product #ACC302

CARB CLEAN is an aerosol spray cleaner for carburetors and automatic chokes that dissolves gums, varnish, red oxide, and other residues which might interfere with the running of the vehicle. Contains no chlorinated solvents. Periodic use improves gas mileage and overall engine performance.

Areas of Use:

- Carburetor Valves
- Automatic Chokes
- Choke Linkages
- Accelerator Linkages
- Crankcase Ventilation Valves
- PVC Valves
- Vacuum Pistons
- Thermostatic Coils
- Manifold Heat Control Valves

Effective Against:

- Dirt
- Gum
- Varnish Deposits

Directions for Use:

Stop engine and remove air cleaner. Remove caked surface deposits first. Remove protective cover from choke controls. Spray internal parts until clean. On vacuum pistons, work lever while spraying. On carburetors, spray around throat and linkage mechanisms.

Specifications:

Classification	Aerosol Solvent
Color	Clear liquid
Odor	Characteristic solvent
Solubility in water	Not available
Flammability	Extremely Flammable spray
