Circ Clean

Electronic Component Cleaner

Product #ACCI52

CIRC CLEAN is a high purity aerosol solvent cleaner for precision electronic equipment. Contains no Freon, no chlorinated or fluorinated solvents. Safe on plastics, rubber, wire insulation and most paints. Quickly flushes away grease, oil, dirt and dust, while drying quickly with no residue.

Areas of Use:

- Computers
- Electronic Controls
- Televisions
- VCR's
- Relays
- Radar
- Stereos
- CD's
- Adding Machines
- Typewriters
- Headphones
- Magnetic Tapes & Heads
- Circuit Boards
- any other sensitive electronic cleaning that might be required

Effective Against:

- Grease
- Oil
- Dirt
- Dust
- Other Deposits

Directions for Use:

Disconnect all electronic equipment before using. Apply generously with actuator close to the surface. Use handy extension tube for hard to reach areas. Allow sufficient time to evaporate before reconnecting electronic equipment.

Specifications:

Classification	Solvent based aerosol
Color	Clear
Odor	Light solvent
Solubility in water	Non soluble
Flammability	Extremely flammable spray
