Joy to the World

White Food Grease

JOY TO THE WORLD is an aluminum complex grease, specially formulated for the food process and beverage industry. JOY TO THE WORLD provides excellent extreme pressure and anti-wear protection, and can be used over a wide temperature range. JOY TO THE WORLD has excellent resistance to water, steam, acids and caustic solutions. JOY TO THE WORLD is formulated to meet FDA and USDA requirements where incidental food contact may occur. NSF rated H-1 status.

Areas of Use:

- Canneries
- Bottling Plants
- Water Plants
- Dairies
- Meat Processing Facilities
- Packing Plants
- Breweries
- Bakeries

Effective Against:

- Rust
- Corrosion

Directions for Use:

Shake well before using. Remove protective cap. Point opening in spray tip towards area to be sprayed. For hard to reach areas, insert red extender tube in hole in tip. Apply a light coat by spraying in quick, short burst. Work part to distribute product evenly over entire surface. Spray as necessary to insure full coverage.

Specifications:

Classification	Food grease aerosol
Color	White
Odor	Slight solvent
Solubility in water	Soluble
Flammability	Extremely flammable spray
