Leak B Gone

Roof Patch Repair

Emergency Roof Repair specially formulated natural material that swells immediately on contact with water to form a temporary leak-proof seal. May be applied in pouring rain as it goes through standing water to stop leaks in minutes. LEAK B GONE is an emergency repair system to allow for permanent repair when weather improves. LEAK B GONE is for use on flat roofs.

Areas of Use:

- Office Buildings
- Apartments
- Garages
- Out Buildings
- or any other flat roof surfaces

Effective Against:

- Leaks
- Damage

Directions for Use:

Pour approximately a 1/2 inch blanket of leak b gone over suspected area of leak. If leak does not stop immediately, add more until it stops. Leak b gone can be applied through standing water if poured slowly and carefully.
