Lemon Plug Away

Drain Opener

Product #QPA302

LEMON PLUG AWAY a powerful, super potent caustic drain opener and maintainer with a pleasant lemon fragrance. LEMON PLUG AWAY is heavier than water, which enables it to seek out and eliminate the problem area. Since LEMON PLUG AWAY contains no acids, it is completely odorless when used. LEMON PLUG AWAY quickly opens grease clogged pipes by converting problem grease into a liquid soap which washes away freely.

Areas of Use:

- Schools
- Hospitals
- Industrial Plants
- Recreation Areas
- Public Restrooms
- Bus Stations
- Airports
- Railway Stations
- Nursing Homes
- Municipal Buildings
- Hotels, Motels
- Apartments
- Restaurants
- Truck Shops
- Office Buildings
- Golf Courses
- Health Spas
- Warehouses
- Any other place where clogged drains are a problem

Effective Against:

- Rags
- Paper
- Other organic matter
- Hair
- Grease

PRECAUTIONS: Do not use before partially opening drain. Do not stand over and look into drain after applying. Never use product with acid bowl cleaners, sulfuric acid drain openers or any other chemicals. Do not plug open-ing, use a plunger or pressurized drain opener while product is in the drain.

CAUTIONS: Avoid contact with eyes, skin, and clothing. For eye contact: flush with water for 15 minutes while holding the upper and lower lids open. See a doctor immediately. For skin contact: wash affected area well with soap and water. If irritation persists see a doctor.

Directions for Use:

For Drains: Pour 1 pint (16 fluid ounces) directly into drain and allow to stand for 30 minutes. Repeat if necessary. Extremely heavy grease stoppage may require overnight contact. Large industrial drains need 1 quart(32 fluid ounces). Let stand for 30 minutes, flush and repeat if necessary.

Specifications:

Classification	Liquid drain opener
Color	Red
