Odor Digester Sock

Odor Absorber

Product #BOS535

This industrial strength ODOR DIGESTER SOCK holds a powerful and effective concentrated odor neutralizer. Each ODOR DIGESTER SOCK will provide deodorization for 30 to 45 days. It is specially designed to neutralize odors in sewers, elevator shafts, dumpster areas, garbage collection areas, industrial plants, water treatment facilities or anywhere that strong undesirable odors are present.

Areas of Use:

- Sewers
- Elevator Shafts
- Dumpster Areas
- Industrial Plants
- Garbage Collection Areas
- Fire Restoration
- Waste Water Facilities
- Anywhere strong undesirable odors are present

Effective Against:

- Malodors
- Smoke
- Musty Mildew
- Trash & Dumpster Odors
- Any other malodors

Directions for Use:

Unwrap individual Odor Digester Sock and hang from the loop end of the sock in a centralized location nearest the odor source. Due to the concentration some dripping may occur. Will last up to 45 days depending on airflow. Do not hang over painted surfaces or decorative floors.

Specifications:
