## Coil Brite

*Anti-Static Cleaner, Protectant & Polish*

Product #GCB780

COIL-BRITE is designed for fast and easy cleaning of air conditioning coils, fins, and filters. COIL-BRITE removes dirt, grease and film allowing for efficient cooling and heat transfer from the A/C unit. Shut down all systems. Spray with low pressure, as deeply into coils as possible. Wait 5 minutes and thoroughly rinse with water. COIL-BRITE is a truly heavy-duty concentrated highly dilutable coil cleaner, which offers the perfect, cost effective solution to cleaning coils. COIL-BRITE not only cleans the coils but will also degrease condensate pans and drain tubes. Available in 55, 30, 20 Gal Drum, 6 Gal pail, and 4x1 Gal.

### Areas of Use:

- A/C coils
- A/C filters
- schools
- A/C fins
- hotels
- kitchens

### Effective Against:

- dirt
- grease
- film

### Advantages:

1. Concentrated, highly dilutable formula.
2. Low foaming and rinses easily.
3. Special formula provides excellent penetration of dust, dirt, lint and oils.
4. Non-acid, safe on drain pans, plastics and other materials in and around coils and condensers.
5. Cleans and degreases coils and compressor fans.

### Directions for Use:

Shut down all systems.  
Spray with low pressure, as deeply into coils as possible. Wait 5 minutes and thoroughly rinse with water.
